*"Transforming Young Learners to World Class Leaders"*

#### Director's Message

DIVANA A R  
DIRECTOR

It is always a joy to witness the growth and progress of our young learners at Kaizen. Their curiosity, energy, and determination reflect the nurturing environment we aim to provide each day.

As we continue this journey together, we look forward to creating more meaningful experiences that spark learning, growth, and happiness for everyone.

Warm regards,  
Divana A R

#### Principal's Message

BISMINA S  
PRINCIPAL

September was a month filled with energy, responsibility, and learning at our school. Our focus on life skills learning gave children wonderful opportunities to develop practical abilities and independence through activities like brushing, combing, dressing, folding, watering plants, setting the table, and clipping clothes on the clothesline. Alongside these milestones, classroom activities continued to nurture creativity, curiosity, academic growth, and social-emotional development. As we move forward, I remain grateful for your support and look ahead with excitement to many more enriching experiences together.

## MONTHLY HIGHLIGHTS - SEPTEMBER

September was a month of life skills, leadership, and active learning.

#### Active Thursdays

Every Thursday, children participated in Physical Education training, enjoying fun exercises and movement games to build strength, coordination, and healthy habits.

#### Star of the Week

Each week, one student was proudly recognized as the Star of the Week, based on healthy and positive habits like bringing sugar-free food, drinking enough water, maintaining neat notebooks, regular attendance, and enthusiastic participation in class activities.

#### Friday Kids Day

Our Friday Kids Day celebrations were full of fun and creativity. This month's themes included:

#### Thank you teachers, Life Skill Day

# Special Days Celebrated – September

We also celebrated important days throughout the month with simple, joyful, and age-appropriate activities.

## Teachers' Day (India) – Sept 5<sup>th</sup>

Though school reopened on September 8, we didn't forget to honor our teachers' efforts. Children, with help from parents, made beautiful handmade cards filled with love and gratitude. The celebration also included lively dances and songs by both teachers and kids, making it a joyful day of togetherness and appreciation. Eyes lit up, questions flowed, and little minds left with a new respect for the real-life heroes who help us feel better every day!

## International Day of Charity – Sept 5<sup>th</sup>

Our young learners celebrated the spirit of giving on the International Day of Charity! With colorful handprints, they created a beautiful Kindness Tree that bloomed with love and care. Each tiny handprint represented an act of kindness, reminding everyone that even small hands can make a big difference!

"A flower does not think of competing with the flower next to it. It just blooms."

One word at a time,  
one step at a time.

## International Literacy Day - Sep 08<sup>th</sup>

On the occasion of International Literacy Day, our young learners celebrated the joy of reading and learning together! The day was filled with teamwork, curiosity, and care as kids helped each other explore new words and share stories. Laughter and learning filled the room as they discovered that reading is even more fun when shared. The celebration beautifully reminded everyone that literacy empowers us to grow, learn, and dream together!

## Hindi Diwas - Sep 14<sup>th</sup>

Our tiny scholars celebrated Hindi Diwas with cheerful recitations. They learned and performed Hindi poems, spreading love for our beautiful national language. Each verse echoed pride and joy in their voices. Laughter and rhythm filled the air as they expressed themselves with confidence. The day truly honored the spirit and beauty of Hindi!

## World Ozone Day - Sep 16<sup>th</sup>

Our little artists celebrated World Ozone Day with creativity and color. Using blue and green balloon stamping, they made beautiful Earth art, learning about our planet in a fun way. The activity helped them understand the importance of protecting our ozone layer while enjoying a hands-on art experience. It was a day of colors, care, and creativity for our wonderful world!

## Rose Day for Cancer Patients - Sep 22<sup>nd</sup>

Our little learners marked Rose Day with kindness and creativity! They practiced an important life skill by carefully holding scissors and cutting spirals to make lovely paper flowers. Each handmade rose symbolized love, hope, and care for cancer patients. It was a beautiful way to blend learning with compassion!

## Engineer's Day- Sep 15<sup>th</sup>

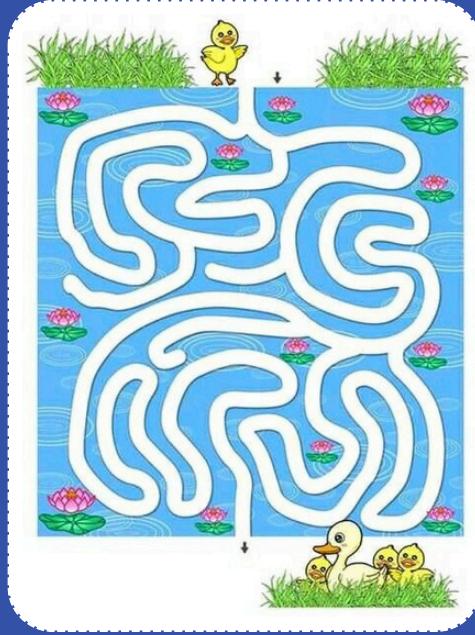

Our little innovators celebrated Engineer's Day with creativity and fun! They were given shape outlines and colorful building blocks to recreate those shapes. With focus and imagination, the kids built amazing structures and learned the basics of design and problem-solving. It was a playful day of building, learning, and thinking like young engineers!

## World Translation Day- Sep 30<sup>th</sup>

Our little learners celebrated World Translation Day by exploring languages from around the world! They joyfully learned to say "Hello" in different languages, discovering the fun of communication and cultural diversity. It was a day full of smiles, curiosity, and global connections!

## BORN TO SHINE - SEPTEMBER KIDS

At Kaizen, birthdays are all about joyful memories and healthy choices!

*Happy Birthday*  
**SATWIK, MANHA,  
ARSHITHA, ADHAV**

We're excited to share something special!

Our Kaizen community now has its very own **School YouTube Channel**. From joyful classroom moments to creative projects and vibrant celebrations, this space will showcase the journey of our little learners as they grow, explore, and shine.

Click, watch, share, and celebrate the spirit of Kaizen because every child's step is a story worth sharing!

## READ AND FIND

### A Panda

This is a panda.

It is a large animal.

It likes to eat bamboo.

They are herbivores.

They have four legs  
and a short tail.

They are black and white.

They love to eat and sleep.

## FUN & LEARN

### Questions

- 1) What animal is this?
- 2) What does it like to eat?
- 3) How many legs do pandas have?
- 4) What colour are they?
